

THE 3RD INTERNATIONAL SYMPOSIUM ON TROPICAL AND SUBTROPICAL ORNAMENTALS (TSO 2025)

THEME:
CONSERVATION AND UTILIZATION OF ORNAMENTAL PLANTS FOR HEALTH AND HUMAN WELL BEING

**NOBLE RESORT HOTEL,
MALACCA, MALAYSIA**

8 - 10 JULY 2025

ABOUT TSO 2025

The 3rd International Symposium on Tropical and Subtropical Ornamental (TSO 2025) is a great opportunity to bring together researchers, academics, students, growers, technicians, and other professionals in ornamental industry to share knowledge and ideas, as well as to discuss the state of the art and future perspectives for improving and developing tropical and sub-tropical ornamental production and marketing.

CALL FOR PAPER

The organizing committee warmly invites practitioners, academicians, researchers, PhD candidates worldwide to submit oral and poster presentation, innovation and invention to TSO 2025. This symposium brings together avid researchers from local and international.

THEME

Conservation and Utilization of Ornamental Plants for Health and Human Well Being

TOPICS:

Topics of interest for submission include, but not limited to:

- Smart Agriculture on Ornamental Plants
- Plant Genetic Resources
- Post-Harvest Technology
- Plant Breeding and Genetics
- Ornamental and Landscape
- Plant Protection
- Micropropagation and Biotechnology
- Aquatic Ornamental Plants
- Production and Business
